Assignee: Altair Engineering, Inc.

U.S. Patent No. 7,049,761 (corresponding to Serial No. 09/782,375)

Issue Date: May 23, 2006

Title: LIGHT TUBE AND POWER SUPPLY CIRCUIT

STATEMENT OF ASSIGNEE

The owner, Altair Engineering, Inc., of 100 percent interest in the above-identified patent hereby states:

- 1) This patent is the result of the collaborative inventive efforts of three people.
- 2) The joint inventors in this matter are Jos Timmermans, Jean C. Raymond and John Ivey. John Ivey was inadvertently omitted as a joint inventor. The owner agrees to a change in inventorship of the patent to include John Ivey as an inventor.

I certify under 37 CFR § 3.73(b) that the owner is the assignee of the entire right, title and interest in the patent based on:

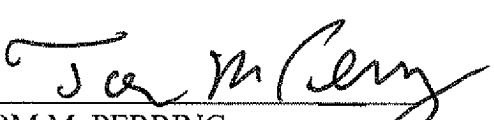

[X] An Assignment from the inventors Jos Timmermans and Jean C. Raymond of the issued patent identified above, which Assignment was recorded in the Patent and Trademark Office at Reel 011932, Frame 0394; and

[X] An Assignment from the inventor John Ivey of the issued patent identified above, for which a copy thereof is attached.

The undersigned (whose title is supplied below) is empowered to act on behalf of the Assignee and is empowered to sign this certificate on behalf of the Assignee.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the patent.

ASSIGNMENT

WHEREAS, I, John Ivey of Farmington Hills, MI, am a co-inventor with Jos Timmermans and Jean C. Raymond of certain new and useful improvements in

LIGHT TUBE AND POWER SUPPLY CIRCUIT

that issued as U.S. Patent No. 7,049,761 on May 23, 2006; and

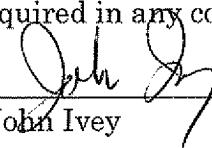

WHEREAS, Altair Engineering, Inc., a corporation of the State of Michigan, having a principal place of business at 1820 E. Big Beaver Rd., Troy, MI 48083-2031, desires to acquire the entire right, title and interest in and to said invention;

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable considerations, receipt whereof is hereby acknowledged, I, by these presents do sell, assign, and transfer unto said corporation, its successors and assigns, all right, title and interest in the United States of America and all foreign countries in and to said invention as described in the patent issued as U.S. Patent No. 7,049,761 on May 23, 2006.

FOR SAID CONSIDERATIONS, I hereby covenant and agree that I am the owner of the full title herein assigned and have the right to assign the same, and agree that I will communicate to said corporation or its representatives any facts known to us respecting said invention or inventions and testify in any legal proceedings relating thereto when called upon, and will sign all instruments and documents and render such assistance which in the judgment of said corporation is necessary to vest in it and protect the legal title sought to be assigned.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose.
